Overview

Bethany School was founded in 1866 by the Reverend Joseph Kendon in the heart of the picturesque Kent countryside where it occupies some 60 acres, a stunning location for a Co-Educational Boarding School.

The ethos of Bethany School is to be a genuine extension of the home environment that is safe and welcoming, pupils who attend Bethany School will get to know all staff well during their time together. A lot of time is spent instilling good principles into the pupils such as tolerance and respect for one another and every pupil will feel a sense of belonging and self worth as a result.

The school has six Houses that the pupils will belong to and each House is run by its own Housemaster or Housemistress, all of whom live in with their families, they work together with the House Tutors and the resident Nursing Sister (who provides 24 hour medical cover) to ensure that all boarding pupils feel cared for and safe.

Bethany School has invested heavily in providing modern, state-of-the-art facilities that are a credit to the management team, the Boarding pupils have very comfortable accommodation and communal areas. The modern dining facilities are also excellent enabling the pupils to dine together daily experiencing a wide range of traditional and international cuisine.

Boarding pupils have a great choice of activities to choose from at weekends to ensure that they are always entertained and engaged in school life and with their fellow pupils.
